SDAPA is offering a guided historical walking tour, co-sponsored by North Park Main Street and the North Park Historical Society, of North Park's commercial core along University Avenue and 30th Street. Join us as we embark on an exciting journey to discover the exciting past which the North Park commercial district has to offer. North Park has a rich and varied history starting before the turn of the century when the area was covered with orange and lemon groves to the recent rediscovery of historic commercial districts and traditional main streets that lead to the revitalization of the community.

To participate, please RSVP to Dana_Spaccarotella@urscorp.com by Friday, May 6th. Check-in will be at the 29th Street entrance to the Birch Theatre at 4:00 and the tour will commence promptly at 4:15.
